Dear WVHS Member,

March 19, 2020

The Warwick Valley Humane Society would like to thank you for supporting our organization over the years. We hope this letter finds you safe and well during this difficult health crisis. Please know your dedication has allowed us to fulfill our mission. Our mission is to provide a safe haven and protection for our community's homeless, injured and abused animals; to promote adoption, responsible pet ownership, spaying and neutering, and community outreach.

Until now, we have been operating in a building that dates back to the 1970's, which is in desperate need for renewal. We are excited to move forward with plans to build a new facility at our current location: 48 Public Works Drive in Warwick. A modernized facility will greatly improve the flow of day to day operations, and the overall living conditions of the animals in our care.

In order to bring this major building project to fruition, we have planned several fundraising events throughout the community. We are very happy to announce our continued partnership with Winslow. However, our June 6 Sunset at Winslow event has been postponed for a later 2020 date yet to be determined. Our ninth 5K 4PAWS at Glenmere Lake in Florida is set for September 20. We will be hosting our fifth annual Fore the Animals golf outing at Mansion Ridge in Monroe on October 19. Lastly, all are welcome to join us at the WVHS for Pet Photos with Santa in November.

In addition to our yearly fundraising and donations, the WVHS relies on continued support from our Members. Your membership helps us uphold our mission to care and protect our community's homeless, injured and abused animals. Please find the Membership Levels below:
